👤 PROFILE

Creative and detail-oriented UI/UX Designer with a strong passion for crafting user-friendly, visually appealing, and responsive digital experiences. Skilled in wireframing, prototyping, and interface design using modern tools such as Figma and Adobe. Adept at applying user-centered design principles, conducting usability testing, and translating ideas into engaging interfaces. Eager to contribute fresh perspectives, creativity, and problem-solving skills to innovative design projects.

📁 EXPERIENCE

UI/UX Design Intern, FEBNO TECHNOLOGIES

Kinfra , Calicut

FinFlow – Personal Finance & Budget Tracking App

- Designed a mobile application to help users track expenses, set budget goals, and view spending insights .
